NEW MEXICO TECH
SCIENCE • ENGINEERING • RESEARCH UNIVERSITY

GRADUATE STUDIES

Graduate Certificate

COMMUNICATION
Scientific & Professional Communication

EDUCATION
Elementary Alternative Licensure
Secondary Alternative Licensure

ENGINEERING
Cybersecurity
Electrical Engineering
Technology Leadership

SCIENCE
Hydrology

Master of Engineering

ENGINEERING
Chemical Engineering (Surface Engineering)
Materials Engineering
Mechanical Engineering

Master of Engineering Management

Engineering Management

Master of Science for Teachers

Science for Teachers

Professional Masters

SCIENCE
Hydrology

TRANSDISCIPLINARY
Cybersecurity

Master of Science

ENGINEERING
Chemical Engineering (Surface Engineering)
Civil & Environmental Engineering
Computer Science
Electrical Engineering
Engineering Management
Materials Engineering
Mechanical Engineering
Mineral Engineering
Petroleum Engineering

SCIENCE
Biology
Chemistry
Geochemistry
Geology
Geophysics
Hydrology
Mathematics (Operational Research & Statistics; Industrial Mathematics; Analysis)
Physics (Instrumentation)

TRANSDISCIPLINARY
Cybersecurity

Doctor of Philosophy

ENGINEERING
Chemical Engineering (Surface Engineering)
Computer Science
Electrical Engineering (Cyber Electronic Sytems)
Materials Engineering
Mechanical Engineering (Intelligent Energetic Systems)
Mineral Engineering
Petroleum Engineering

SCIENCE
Chemistry
Earth & Environmental Science (Geobiology; Geochemistry; Geology; Geophysics; Hydrology)
Mathematics (Applied & Industrial Methamatics)
Physics (Astrophysics; Atmospheric Physics; Instrumentation; Mathematical Physics)

TRANSDISCIPLINARY
Biotechnology
Cybersecurity
