Date presented: 11/03/2019

Purpose and resolution:

Whereas, the Chief Justice is a department head alongside the President and Vice President.

Whereas, the President and Vice President have their offices in the same general area in Fidel.

Whereas, the Supreme Court does not have an easily accessible office for both students and other SGA members to meet with the Chief Justice.

Whereas, the Chief Justice has been using the Vice President's office for their office hours.

Resolve that in an effort to improve the accessibility of the Supreme Court and provide them with adequate working space, it shall be mandated that the Chief Justice be given an office within the main office space of the SGA.

It is recommended that the Chief Justice be given the current SATD office space within the main office space of the SGA.

It is recommended that the SATD have their office moved into the Student Activities Center.
