Dear Student Government Association:

I will be attending the American Physical Society's 72nd annual meeting for the division of fluid dynamics November 23rd to November 26th, 2019. I am a new graduate student that did not have the opportunity to apply for a graduate travel grant. This will allow for me to be exposed to conferences that apply to my graduate field of study. Having the opportunity to go to the conference will help me to understand presenting at such a large conference and know what to expect at future conferences I plan to present at. This conference will give me the opportunity expand my knowledge within my research, helping me to become a better researcher for New Mexico Tech. This is also an amazing networking opportunity not only for myself but New Mexico Tech as a whole. Travel, lodging, and registration costs will need to be covered totaling \$1322.00.

Sincerely,

A handwritten signature in black ink that reads "Sivana Torres". The signature is written in a cursive, flowing style.
