Giving to New Mexico Tech

WHY GIVE?

Tech’s constituents (alumni, donors, corporations, foundations, and friends of the university) play a crucial role in helping Tech keep pace with the many challenges facing higher education as well as maintaining Tech’s world-renowned reputation in graduating well-prepared scientists and engineers.

There are many ways that you can invest in the future of New Mexico Tech; donations are always appreciated and can be directed to your passion: Planned giving (if you can’t give now, but want to show your appreciation for what Tech has done for you, you can put Tech in your will); your time and your connections also matter – come to Career Fair and hire students, help recruit students, make connections to industry, open doors to sponsored research and internships.

In closing, every gift is important; every effort has an impact. You are a vital part of New Mexico Tech’s ongoing success.

GIVING OPTIONS

• Endowed Scholarships
• Endowed Professorships / Chairs
• Departmental Gifts
• Special Gifts (capital campaigns, student clubs, etc.)
• Annual Giving (typically unrestricted giving)
• Planned Giving
