

CHOOSE CVS CAREMARK SPECIALTY PHARMACY

WE'RE ALWAYS WITHIN REACH

* Based on the availability of CVS/pharmacy® locations and subject to applicable laws and regulations. Services are also available at Long's Drugs locations. Certain services are only accessed via calling CVS Caremark Specialty Pharmacy directly. For details, call toll-free at 1-866-846-3095.

**In-store pick up is not available in Arkansas, Oklahoma and West Virginia. Some states require first fill prescriptions to be transmitted directly to the dispensing pharmacy. Other restrictions may apply.

Your privacy is important to us. Our employees are trained regarding the appropriate way to handle your private health information.
