

The Employee Assistance Program (EAP) is a prepaid benefit provided to regular full-time, part-time and temporary full-time employees and their dependents. It provides a confidential and professional assessment of personal problems of employees and/or immediate family members. Some of the personal problems covered by the EAP are marital conflicts, family difficulties, alcohol or drug abuse, emotional and/or mental stress. You may visit the website at: [www.corporatehealthresources.com](http://www.corporatehealthresources.com) or call [\(800\)348-3232](tel:8003483232).
