

New Mexico Tech- DEGREE AUDIT FOR Bachelor of General Studies, 2016-2017 Catalog

Minimum credit hours required—130

Requirements of this degree include completion of the General Education Core Curriculum (below), 42 credits in courses numbered 300 or above, completion of the BGS Academic Career Plan with state Emphasis area, and fulfillment of the Institution's residence credit requirement (30 credit hours).

To be admitted into the program for this degree, the candidate must meet with the CLASS department chair and the BGS academic advisor, who will be assigned by the CLASS department chair, to create a BGS Academic Career Plan that will be on file with the Registrar.

Any changes to the BGS Academic Career Plan must be approved by the CLASS department chair and the student's BGS academic advisor. These changes will be on file with the Registrar and must be met, along with the above-stated requirements, before the degree will be awarded.

Student must complete the General Education Core Curriculum listed below.
