# Sign Up For Emergency Notifications.

The <u>Rave Emergency Notification System</u> notifies registered members of emergencies (including weather delays and other environmental issues) via text messages, emails, and phone calls.

To sign up go to www.getrave.com.

Type in "New Mexico Institute of Mining and Technology."

Click Register on the right side of the page.

Fill out your personal information. You **MUST** use your Tech email address to sign up, but you can add personal emails and phones (including speech-to-text voice messages) once you are registered.

You will then receive a confirmation email and text. Please validate your email and cell numbers. It ensures proper delivery of notifications if there is an emergency.
