

## Where STEM is in our DNA

New Mexico Tech is a top STEM college. We consistently rank in the top 10 for STEM education, often ranking #1 for engineering education.

Join a tightly-knit community with a 13:1 student-professor ratio. Internships and research exploration give us an edge in the job search. Here at Tech, researchers, faculty, and students work together to solve real-world problems. Transfer to NMT and find out what Tech can do for you.

Apply online or on paper!

## Transfer to New Mexico Tech

## Plan Ahead

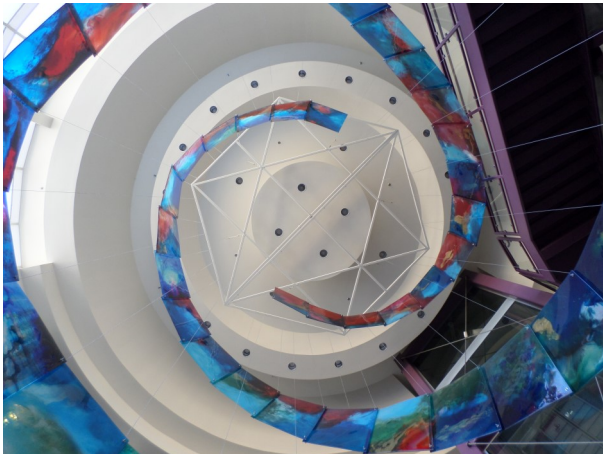

---

Schedule a campus visit 1-2 semesters before you plan on transferring.

### Meet your requirements!

Complete the same high school requirements as entering freshmen: official high school transcript or official GED scores.

The student must be in good academic standing at the last institution attended. You must be eligible to re-enroll from the institution you are leaving. Students must provide official transcripts from all colleges attended.

**Transfer to NMT and transform your career options with our STEM expertise!**

## Academics

---

Transferring to NMT is easy. The minimum requirements are as follows:

- 30 credits earned at an accredited university
- Grade of C or higher in each class
- 2.0 GPA
- Test into pre-calculus (MATH 103)

*It is strongly recommended that you do the following:*

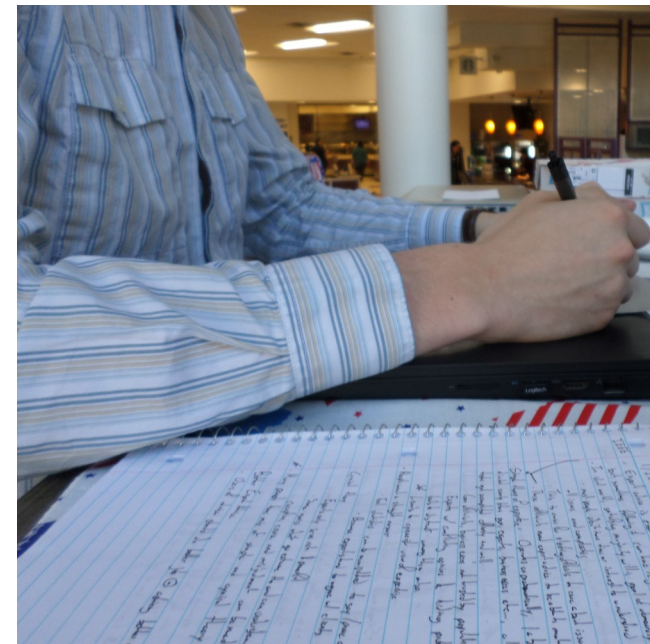

- Be Calculus 1 ready
- Calc. 1 prerequisites: Precalculus (MATH 103) and Trigonometry (MATH 104)
- Enroll in English 341 Technical Writing at NMT

## Financial Aid

---

At NMT we deepen your knowledge and protect your pocketbook. You automatically apply for scholarships with NMT admission! Most scholarships are stackable. Tuition for 12-18 credits per semester is approximately \$10,000.

**You must be admitted by April 1st for Fall and November 1st for Spring to be considered for scholarships.** Contact the Financial Aid Office for more information on available scholarships.
