# FREEPORT MCMORAN DAY

**FREEPORT-McMoRAN**

Join executives from Freeport-McMoRan to learn about innovation that is changing the mining industry. Take advantage of this opportunity to hear from Josh Olmstead, Senior VP of Copper Operations, Freeport-McMoRan Americas, Cory Stevens, VP of Operational Improvement, Freeport-McMoRan Mining Company and Lia Walker, Senior Quality Leader. They will share insights from the mining industry, what Freeport is looking for in terms of disciplines and skills in our company and how technology is playing an important part in redefining mining.
