

### On Campus Fishing Permit

This permit allows the bearer the PRIVILEGE of fishing in the reservoir pond directly south of the Fine Arts buildings. This permit is issued on the condition that the bearer agrees to follow the rules outlined below. Fishing access has been restricted because of the amount of garbage left in and around the water, if the garbage returns, access will again be restricted.

#### Fishing Rules:

1. All fishermen must have a valid New Mexico Fishing License; agree to abide by the New Mexico Department of Game and Fish Regulations.
2. Fishing is DAWN to DUSK ONLY
3. All persons fishing on NM Tech waters will carry on their person a valid NMT fishing permit.
4. The permit is permission to fish the reservoir directly south of the Fine Arts building and no other water on NM Tech campus.
5. Fishing is strictly **CATCH AND RELEASE**. All fish are to be expeditiously returned to the water UNHARMED.
6. New Mexico Tech is not responsible for any injuries to the angler or damage to his/her property when he/she accepts and uses the Fishing Permit.
7. Fishermen will carry out all of their own trash from the reservoir and, in the interest of good relations, remove trash left by others.
8. Violation of any one of these rules will result in the loss of fishing privileges.
9. Shoreline fishing only.

**NO BOATING \* NO SWIMMING \* NOT POTABLE WATER**

Date: \_\_\_\_\_
