Letter of Addendum

TO: All Offerors

FROM: Kimela Miller

DATE: November 29, 2021

RE: RFP Number: 2211026P – Amendment #1
Commodity: Playas Pre-Engineered Steel Warehouse

Please check the NM Tech website often for updates on this RFP.

Q1) Is this RFP for a Design-Build team or for a PMB fabricator/erector? The language seems to indicate is not exclusively for A/E.

“The Proposers should have extensive experience, the ability, capacity and skill in the area of steel design, pre-fabrication and construction as described in the statement of work.”

A1) It is for a pre-engineered metal building.

All Offerors are required to confirm the receipt of this amendment in their response. All other terms and conditions of the RFP remain unchanged.
