**The policy provides supplemental coverage
and will be issued only to supplement insurance already in force.**

LIMITED BENEFIT, HOSPITAL CONFINEMENT INDEMNITY INSURANCE
Policy Form Series B40100

1. Read Your Policy Carefully: This document provides a very brief description of some of the important features of the policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth, in detail, the rights and obligations of both you and Aflac. It is, therefore, important that you READ YOUR POLICY CAREFULLY.

2. Hospital Confinement Indemnity Coverage: The policy provides coverage in the form of a fixed benefit during periods of hospitalization or care resulting from Sickness or Injury, subject to any limitations set forth in your policy. It does not provide any benefits other than the fixed indemnity for Hospital Confinement and any additional benefits described below.

3. Benefits: Aflac will pay the following benefits, as applicable, for a covered Sickness or Injury that occurs while coverage is in force, subject to the Pre-existing Condition Limitations, Limitations and Exclusions, and all other policy provisions, unless indicated otherwise. The term "Hospital Confinement" does not include emergency rooms. Treatment or confinement in a U.S. government Hospital does not require a charge for benefits to be payable.

A. HOSPITAL CONFINEMENT BENEFIT: Aflac will pay \$[] when a Covered Person requires Hospital Confinement for 23 or more hours for a covered Sickness or Injury and a room charge is incurred. This benefit is payable once per Calendar Year, per Covered Person. No lifetime maximum.

B. REHABILITATION FACILITY BENEFIT: Aflac will pay \$100 per day when a Covered Person is confined in a Hospital and is transferred to a room in a Rehabilitation Facility for treatment of a covered Sickness or Injury and a charge is incurred each day for such treatment. This benefit is limited to 15 days per Period of Hospital Confinement and is limited to a Calendar Year maximum of 30 days, per Covered Person. No lifetime maximum.

C. HOSPITAL EMERGENCY ROOM BENEFIT: Aflac will pay \$100 when a Covered Person receives treatment for a covered Sickness or Injury in a Hospital Emergency Room, including triage, and a charge is incurred for such treatment. This benefit is payable twice per Calendar Year, per Covered Person. No lifetime maximum.

The Hospital Emergency Room Benefit and the Hospital Short-Stay Benefit are not payable on the same day.

D. HOSPITAL SHORT-STAY BENEFIT: Aflac will pay \$100 when a Covered Person receives treatment for a covered Sickness or Injury in a Hospital, including an observation room, or an Ambulatory Surgical Center, for a period of less than 23 hours and a charge is incurred for such treatment. This benefit is not payable for treatment received in a Hospital Emergency Room or

Urgent Care Center. This benefit is payable twice per Calendar Year, per policy. No lifetime maximum.

The Hospital Short-Stay Benefit and the Hospital Emergency Room Benefit are not payable on the same day.

E. WAIVER OF PREMIUM BENEFIT: Upon written notice, Aflac will waive from month to month any premium(s) falling due during a continued Period of Hospital Confinement for the Named Insured only. This benefit will begin after the Period of Hospital Confinement for the Named Insured has exceeded 30 consecutive days. When such continued Period of Hospital Confinement has ended, premium payments must be resumed. Once premium payments are resumed, any new Period of Hospital Confinement must again satisfy the 30-day continued confinement for premiums to be waived.

If you die and your Spouse becomes the new Named Insured, premiums will start again at the appropriate rate and will be due on the first premium due date after the change. The new Named Insured will then be eligible for this benefit if the need arises.

F. CONTINUATION OF COVERAGE BENEFIT: Aflac will waive all monthly premiums due for the policy and riders, if any, for up to two months if you meet all of the following conditions:

1. Your policy has been in force for at least six months;
2. We have received premiums for at least six consecutive months;
3. Your premiums have been paid through payroll deduction and you leave your employer for any reason;
4. You or your employer notifies us in writing within 30 days of the date your premium payments cease because of your leaving employment; and
5. You re-establish premium payments through:
(a) Your new employer's payroll deduction process or
(b) Direct payment to Aflac.

You will again become eligible to receive this benefit after:

1. You re-establish your premium payments through payroll deduction for a period of at least six months, and
2. We receive premiums for at least six consecutive months.

"Payroll deduction" means your premium is remitted to Aflac for you by your employer through a payroll deduction process or any other method agreed to by Aflac and the employer.
