The **Delta Dental PPO™ Network** provides maximum cost savings, while the **Delta Dental Premier® Network**—which is the largest network in New Mexico—provides a safety net for additional access when you need it.

The Power of Two Networks

Delta Dental PPO	→ More than 113,000 providers nationwide → Average savings of 34% on submitted fee → No Balance Billing* and no paperwork to file
Delta Dental Premier	→ More than 152,000 providers nationwide → Average savings of 20% on submitted fee → No Balance Billing* and no paperwork to file
Out-of-Network	→ May need to file your own claims → May be subject to Balance Billing* → No discounts

*What is Balance Billing?

Our network dentists agree to accept Maximums on what they charge for each service. An out-of-network dentist has not agreed to those Maximums. When you visit a Delta Dental network dentist, you won't have to pay the difference between what the dentist charges and what Delta Dental will pay, aka *Balance Billing*.

Save when you see a network dentist*

As shown below, your lowest out-of-pocket costs result from going to either a Delta Dental PPO or Delta Dental Premier dentist.
