# New Mexico Public Schools Insurance Authority

Greetings from the Executive Director!

This is the 2018 Program Guide to your employee benefits offered through the New Mexico Public Schools Insurance Authority (NMPSIA). NMPSIA was created by the Legislature in 1986 to purchase insurance benefits for all New Mexico public school districts (except for Albuquerque Public Schools). Other educational entities and charter schools also participate in the NMPSIA Program.

As a participant in NMPSIA, you may be entitled to a Basic Life Insurance Policy if you work at least 15 hours per week. Your employer covers the full cost of this valuable life insurance benefit. You may apply for, and purchase, additional life insurance at your own cost. You and your employer share the cost for the medical, dental, vision, and long term disability plans. Your payroll deduction represents only about one-third of the total cost to fund the plans.

The **High Option Medical Plan** is administered by Blue Cross and Blue Shield of New Mexico (BCBSNM) and Presbyterian Health Plan. The plan's calendar year (January 1 – December 31) deductible must be met before certain services are covered (20% coinsurance then applies). This means the plan will cover 80% of allowable expenses once you meet the deductible, and you will be responsible for 20% of the cost under the High Option Medical Plan for certain services. Many services have a copayment with the deductible waived. Although the High Option Plan design is the same under both BCBSNM and Presbyterian Health Plan, the difference is the network of providers available for members.

The **Low Option Plan** is also administered by BCBSNM and Presbyterian Health Plan. This plan has a lower premium but it includes a higher deductible and requires higher out-of-pocket expenses for services. This plan may work well for an individual with minimal health care needs. Although the Low Option Plan design is the same under both BCBSNM and Presbyterian Health Plan, the difference is the network of providers available for members.

In addition, there is an **Exclusive Provider Organization (EPO) Plan** option administered by BCBSNM. This EPO Plan has a lower deductible and lower out-of-pocket costs in comparison to the High Option Plan and Low Option Plan. This plan provides in-network coverage in **certain communities in New Mexico**. There are some contracted providers in El Paso and Lubbock.

NMPSIA continues to cover your in-network, routine/preventive services at 100% under each of the medical plans. These medical plans have a calendar year out-of-pocket maximum (limit), which is the cap on the total expenses you pay in copays, deductible, and coinsurance during the calendar year. It is important to know that these plans, while requiring member cost-sharing, still provide you with invaluable protection from catastrophic medical expenses.

**We encourage you to review the side-by-side medical plan comparison chart at [nmpsia.com](http://nmpsia.com) and to visit each insurance carrier's link at [nmpsia.com](http://nmpsia.com) to assist you in making a decision about your medical coverage enrollment. Also, please review the important employment benefit program notices included in this Program Guide.**

The NMPSIA Board may be required to make additional plan and premium changes as needed during the 2018-2019 school year should NMPSIA experience unexpected (increased) claims costs or any budget shortfalls as a result of legislative action. Any changes made will be reflected as an addendum to the electronic version of the 2018 Program guide at [nmpsia.com](http://nmpsia.com) and will also be posted at [nmpsia.com](http://nmpsia.com) under the "Benefit Plan Changes" section.

Please do not miss the opportunity to enroll for insurance. If you do not apply to enroll for coverage within 31 days of becoming eligible, you may not have the chance to apply to enroll for medical, dental or vision coverage until the next established open enrollment period in the fall. Further, if you do not enroll timely for additional life coverage or long term disability coverage, you will have to apply through evidence of insurability through The Standard Insurance Company (and there is no guarantee coverage will be approved).

We are happy to announce that we are offering wellness benefits under the medical plans listed in this Program Guide. Further, BCBSNM and Presbyterian Health Plan offer telehealth (virtual video visits) for a \$0 copayment. These visits are intended to provide you additional access to healthcare. **This is a great opportunity for you to seek non-emergent care at NO COST!**

We encourage you to make every effort to take advantage of participating in the wellness programs so you can stay as healthy as possible in order to keep your claim costs down. Visit the medical plan websites to become familiar with these programs. Becoming a good consumer of your health care needs will contribute to help us maintain the great benefits we are currently able to offer you under our self-insured Group Plan.

Have a great school year!

Basic life and disability coverage is not available to board members.

# EMPLOYEE BENEFITS RULES AND REGULATIONS SUMMARY

## ELIGIBLE EMPLOYEE

You are eligible to participate in the New Mexico Public Schools Insurance Authority (NMPSIA) Employees Benefits Program if you are actively at work and work the minimum qualifying number of hours established by your employer. *(In most cases, employees qualify for basic life insurance coverage because they work 15 hours or more per week. In most cases, employees qualify for all other lines of coverage because they work a minimum of 20 or more hours per week. If you work fewer than 20 hours per week but at least 15 hours per week, you may also be eligible to participate if your employer has passed a part-time employee resolution which has been approved by the NMPSIA Board of Directors).*

If you are eligible, you may participate only in the lines of NMPSIA employee benefits coverage offered by your employer. Independent contractors *(with the exception of one-bus owner operators)* and fleet bus drivers ARE NOT eligible to participate in the NMPSIA Employee Benefits Program.

Your employer determines the rate of basic life insurance coverage (\$10,000, \$25,000, or \$50,000) for its eligible employees. If you are eligible for this basic life insurance coverage, it will be provided to you by your employer at no charge. This coverage goes into effect on the first day of the month following your hire date provided you are actively at work on the day your basic life coverage is scheduled to go into effect.

You have 31 days from your date of hire to apply for all other lines of coverage. We will consider that you have applied when you complete, sign, and turn in your application to your employer's benefits office, or when you or your employer enter your enrollment in the NMPSIA online benefit enrollment system at <https://nmpsiaonline.nmpsia.com>. **NMPSIA does not accept retroactive effective dates, so please apply for coverage prior to the effective date being requested.**

In most cases, all other lines of NMPSIA coverage will become effective on the first day of the month following the day you apply, provided you are actively at work on your effective date of coverage *(and you have authorized in writing that your premium is to be withheld and/or adjusted from your payroll check)*. Your effective date of coverage is determined by your employer *(based on your payroll deductions)*, but this **coverage can never go into effect retroactively and never any sooner than the first day of the month FOLLOWING your first day actively at work.** *(For example, if your date of hire is August 2, September 1 is the soonest your coverage can go into effect.)*

**NOTE:** If you are a variable hour or seasonal employee *(or a substitute)*, your employer determines if you are eligible for medical coverage under the Affordable Care Act guidelines. *(This classification of employees is only eligible for medical coverage).*

## BOARD MEMBER

Actively serving *(publicly elected)* board members of participating school districts or colleges/universities are eligible to enroll to the NMPSIA benefit plans *(except for basic life and long term disability coverage)* offered at the entity they represent. Board members have 31 days from being sworn into office to apply for benefits. The additional life insurance amount available is equal to the basic life insurance amount offered to the employees at the entity. Charter school board members **are not** eligible to enroll for NMPSIA Benefits because they are not publicly elected.

# EMPLOYEE BENEFITS RULES AND REGULATIONS SUMMARY

## Qualifying Events (cont.):

- Involuntary loss of group or individual coverage through no fault of the person having the group or individual insurance coverage (*This may include an involuntary loss of medical insurance, dental insurance, vision insurance, exhaustion of COBRA, etc.*) Please be advised that **voluntarily cancelling other coverage is not considered a qualifying event.**

- For example, it is not a qualifying event if you decide to cancel your other coverage because of plan design or premium changes, or for any other reason when your other coverage is still available to you.
- For example, It is also not a qualifying event if your coverage is cancelled by your other plan because you did not pay premium due.

**IMPORTANT:** You will be required to provide your employer's benefits office with a loss of coverage letter specifying who lost coverage, what type of coverage was lost, what day coverage was lost, and why coverage was lost. If the letter does not address each of these factors, we cannot determine the loss of coverage to be an involuntary loss of coverage and your enrollment may not be accepted coverage. (*See the Special Enrollment Events section on this same page regarding medical coverage opportunities.*)

- Loss (*including retirement, resignation, termination, etc.*)
- Establishment or termination through affidavit of domestic partnership (*If this option is available through your employer and provided all requirements listed in the affidavit apply.*)

## Special Enrollment Events for MEDICAL COVERAGE Only:

- 2) **You are enrolled in the NMPSIA Medical Plan**, a special event allows you to enroll one or more eligible dependents for NMPSIA medical coverage (*or switch medical plans*) within 31 days from the occurrence of a special event.

**Special events include the following (as well as any other special event defined by law):**

- You suffer an involuntary loss of coverage because coverage of your spouse (*or domestic partner, if your employer allows domestic partner enrollment*) or child under another plan is terminated as a result of divorce, death, termination of employment, reduction in hours, legal separation, termination of employer contributions or COBRA continuation coverage is exhausted
- You get married or you establish domestic partnership by affidavit (*if your employer participates in offering domestic partnership coverage*)
- A child is born to you or your spouse
- You adopt a child or a child is placed in your home for adoption
- You or any eligible dependent suffer an involuntary loss of Medicaid or CHIP coverage (*you have 60 days from date of this type of loss to apply, and proof is required*)

# EMPLOYEE BENEFITS RULES AND REGULATIONS SUMMARY

To report your change of status due to a qualifying event or a special enrollment event you are required to complete, sign and turn in a change card and supportive documentation, or you and your employer may enter your change and upload the supportive documentation on the NMPSIA online enrollment system at <https://nmpsiaonline.nmpsia.com> within 31 days from the date of your qualifying or special event. If you do not meet this 31 day deadline, you may apply for coverage during the established open enrollment in the fall with an effective date of January 1.

Further, if you do not report a change of status that causes your spouse or child to become ineligible either within 60 days from the qualifying event or within 60 days from the day coverage would end; your spouse or child will not be eligible for COBRA continuation coverage under the NMPSIA Group Plan. When a spouse or child becomes ineligible, coverage under NMPSIA Group Plan ends for him/her on the last day of the month for which he/she becomes ineligible. (Even though you have 60 days to report this change as it pertains to COBRA continuation coverage, NMPSIA Rules require that you report this change of status within 31-days from the qualifying event. This alerts NMPSIA to notify the carriers about your spouse's or child's ineligibility to avoid unnecessary claim payments. This also allows your employer to make the necessary premium adjustments, if any, to your payroll check.) NMPSIA will retract or collect claim overpayments from you (the employee) when you are late in reporting an ineligible ex-spouse or ineligible dependent.

**Example #1:** You divorce (or terminate your domestic partnership) on July 12th; this causes your ex-spouse (or ex-domestic partner) to become ineligible effective July 31st. You should immediately visit your employee benefits office to drop your ex-spouse (or ex-domestic partner) and any enrolled step-children (or your domestic partner's children), if applicable, from the NMPSIA Group Plan. Provide your employee benefits office with a copy of your divorce decree (or termination of domestic partner affidavit) and a "signed" change card. (Your employer has the right to report a divorce to NMPSIA if you do not report as required.) Your ex-spouse (or ex-domestic partner) may apply for COBRA continuation coverage provided that you report this change of status within the timeframe listed above. (**REMINDER:** Review your beneficiary designation and make any changes you wish. Life insurance proceeds may not be payable to an ex-spouse unless the ex-spouse is re-designated as beneficiary after the divorce becomes final.)

When you are electing NMPSIA Group coverage, you will be required to complete, sign, and turn in the appropriate application, or you and your employer may enter your enrollment and upload the supportive documentation on the NMPSIA online benefit system at <https://nmpsiaonline.nmpsia.com>. In the event of a dependent enrollment, your employer's benefits office is required to view the supportive documentation you have presented. Without the appropriate supportive documentation, your dependent's effective date of coverage will be delayed. **If supportive documentation is not provided by the established deadline (61 days from your effective date or 61 days from the qualifying event), your dependent will not be eligible for coverage until January 1 (unless you have a qualifying event occur and you apply timely).**

## BENEFICIARY CHANGES

You may change your beneficiary (as often as you wish) for your basic life insurance coverage and your additional life insurance coverage. Contact your employer's benefits office for a "Beneficiary Designation Form". Once you complete, sign, and turn in this form to your employer's benefits office, the form will be forwarded to the NMPSIA Eligibility Administrative Office. When a life claim is filed, the life insurance carrier verifies the latest beneficiary information in your membership file. (Be sure to designate a beneficiary for your basic life insurance coverage even if you decline or are not eligible to participate in the additional life coverage.) Visit <https://www.standard.com/eforms/17041.pdf> to view frequently asked questions about naming a beneficiary.

  - Check your enrollment online at <https://nmpsiaonline.nmpsia.com>.

## FREQUENTLY ASKED QUESTIONS

**Q. If I decline medical coverage during my 31-day window of opportunity (31 days from date of hire or 31 days from a qualifying event), may I enroll to NMPSIA medical coverage at a later date?**

**A.** If you do not apply during your 31-day window of opportunity, you may apply for medical coverage during the established open enrollment period in the fall. **A.** No; voluntarily cancelling other coverage is not a qualifying event. You may apply for medical coverage during the established open enrollment period in the fall. Medical coverage will then go into effect on January 1. You may have other opportunities to enroll within 31 days from a qualifying or special event (*you would also have 60 days to apply to enroll for medical coverage within 60 days of involuntarily losing Medicaid or CHIP coverage.*)

**Q. How often does NMPSIA have an open enrollment for benefits?**

**A.** NMPSIA offers open enrollment in the fall for medical, dental, and vision coverage. You may apply during the established open enrollment period in the fall. Coverage goes into effect on January 1.

There is no open enrollment for additional life coverage (ADL) or long term disability (LTD) coverage. If you decline these coverages during your 31-day window from your date of hire, you may apply (anytime) through evidence of insurability with The Standard Insurance Company. This application can be found at [nmpsia.com](http://nmpsia.com).

However, you can enroll for ADL or LTD without evidence of insurability when you apply for these coverages within 31 days from going from part-time to full time with a salary increase or within 31 days from being promoted to a new employment position with a salary increase.

Further, if you are enrolled in ADL and your spouse involuntarily loses other life insurance coverage, you may apply to enroll your spouse to ADL coverage within 31 days from this qualifying event. You will be required to provide evidence of your spouse involuntarily losing other life insurance coverage.

**Q. If I select a medical plan, will I have the opportunity to switch medical or dental plans at a later date?**

**A.** Yes, NMPSIA offers switch enrollment for medical and for dental coverage each fall with an effective date of January 1. You may apply during the established switch enrollment period in the fall.

## FREQUENTLY ASKED QUESTIONS

**Q. I am a return to work retiree. I am currently enrolled for benefits under the New Mexico Retiree Health Care Authority (NMRHCA). Do I need to cancel my NMRHCA coverage and enroll under NMPSIA?**

**A.** The NMRHCA requires retirees who return to work to enroll in their employer's group plan (if eligible to participate). You should discuss further with the NMRHCA at 1-800-233-2576 to ensure you are complying with the NMRHCA Rules and Regulations.

**Q. If I enroll in the NMPSIA Vision Plan, may I cancel vision coverage whenever I wish?**

**A.** No. As a safeguard to protect the utilization of the Vision Plan, NMPSIA has a 2-year enrollment requirement under this plan. You and each member of your family have to fulfill the 2-year enrollment requirement before you can drop vision coverage. If you are enrolled in a Section 125 Plan, other rules may apply. Please check with your benefits office for clarification.

**Q. How will I know that my application for NMPSIA benefits has been processed and that my enrollment has been accepted?**

**A.** Upon receipt of your enrollment application, NMPSIA's Eligibility Administrative Office will mail or email you a Confirmation Notice or a Notice of Incomplete Enrollment. Review your notices carefully and immediately provide your employer's benefits office with any documentation requested to finalize your enrollment. Do this to avoid a delay or denial of coverage for your eligible dependents. You may contact your employer's benefits office for assistance or for clarification. You may also check your enrollment at <https://nmpsiaonline.nmpsia.com>.

**Q. I am a new hire and am applying for family coverage (employee + spouse + natural child + natural child), but I have not been able to locate my marriage certificate and birth certificate for one of my children. Will you still cover my wife and both children?**

**A.** We will initially cover you and the one child for whom you have provided a birth certificate. We will cover your spouse and your other child effective on the first day of the month following the date you provide this missing documentation to your employer's benefits office. (We will not cover these dependents retroactive to your initial effective date.) You will have 61 days from your effective date of coverage as a new hire or 61 days from your qualifying event to provide these missing documents. If you do not meet this deadline, your dependents will be considered late and ineligible for coverage until January 1. You will have an opportunity apply to enroll them during the established open enrollment period in the fall, and their medical, dental, or vision coverage will go into effect January 1.

**Q. Both my husband and I are employed with NMPSIA school districts. He carries family medical, dental and vision coverage. Can I enroll in family medical, dental and vision coverage with my employing school district to double-cover my eligible dependents?**

**A.** No, NMPSIA Rules do not permit double coverage within the NMPSIA Group Plan if both you and your spouse (or your child) are employed by a NMPSIA participating school district/entity. You can have double coverage outside of the NMPSIA Group Plan. The employee's plan is considered the primary plan for the employee. You should contact your insurance carriers to determine which plan would primary for your spouse and other covered dependents.

## Basic Term Life Insurance and Accidental Death and Dismemberment (AD&D) 100% Employer Paid

### Employee Coverage

You are eligible for coverage if you are an active employee regularly working at least the minimum number of hours per week required by your employer, but not less than 15 hours per week.

Coverage is effective on the first day of the month following the date you become eligible.

The Accelerated Benefit option allows for payment of up to 75% of your insurance (Basic and Additional combined) if you are terminally ill with a life expectancy of 12 months or less. The maximum Accelerated Benefit amount is \$500,000.

The Specified Disease Benefit option allows for payment of up to 25% of your Basic Life insurance if you are diagnosed with certain specified diseases. Specified Disease means you have been diagnosed by a Physician as having one of the following:

- Life Threatening Cancer
- Myocardial Infarction (Heart Attack)
- Coronary Artery Bypass Procedure
- Renal Failure
- Stroke
- Major Organ Transplant
- Acquired Immune Deficiency Syndrome (AIDS)

Payment of Life premium may be waived if you are totally disabled, you are less than 60 years old when the disability begins, and you continue to be totally disabled. Waiver of premium begins when you complete the waiting period.

Coverage will end due to termination of your employment; however, the effective date of termination of coverage will be determined by your employer. You may convert your insurance to an individual life insurance policy with The Standard within 60 days from the date your group coverage terminates.

You may also have the option to continue your group insurance coverage through a portability provision, if you terminate employment for reasons other than disability and are less than age 65. You may port your insurance to an individual life insurance policy with The Standard within 60 days from the date your group coverage terminates. (You may port the maximum of \$300,000 of Basic Life and Additional Life combined.)

AD&D benefits may be paid in addition to Basic Life benefits. In the event of a covered accidental death, your AD&D benefit is equal to your Basic Life amount. Lesser amounts are paid for other specific accidental losses. See page 20 and your certificate for details.

### AD&D Exclusions

No AD&D insurance benefit is payable if the accident or loss is caused or contributed to by war or act of war; suicide or other intentionally self-inflicted injury while sane or insane; committing or attempting to commit an assault or felony; actively participating in a violent disorder or riot; voluntary use or consumption of any poison, chemical compound, alcohol or drug, unless used or consumed according to the directions of a physician; sickness or pregnancy existing at the time of the accident; heart attack or stroke; or medical or surgical treatment for any of the above.

Death benefits will be reduced if an Accelerated Benefit is paid. Receipt of this benefit may be taxable and may affect your eligibility for Medicaid or other government benefits or entitlement. However, if you meet the definition of "terminally ill individual" according to the Internal Revenue Code Section 101, your Accelerated Benefit may be non-taxable. You should consult your personal tax and/or legal advisor before you apply for an Accelerated Benefit.

A Blue Care Advisor is a licensed clinician with special training to help you manage your health condition. Your Advisor will schedule regular phone calls with you to try to help you set and reach health goals.

You will work together to figure out if there are any obstacles to taking better care of yourself and how to overcome them. Your Advisor will also work with your doctors to make sure you are getting the care you need.

\*In the event of an emergency, this service should not take place of an emergency room or urgent care facility. Proper diagnosis should come from your doctor and medical advice is between you and your doctor.

Our Blue Preferred EPO plan offers an exclusive statewide network of providers but at a lower cost when compared to the larger PPO network. With Blue Preferred EPO you select a primary care physician (PCP) to partner with for your health care needs. Having your care coordinated by one doctor may offer several advantages. They get to know you and your health history, allowing them to recognize changes in your health as well as overseeing your routine care. With Blue Preferred EPO, referrals are not needed to see a specialist but your PCP can help you identify specialists.

As a Blue Preferred EPO member, you will only have access to providers that participate in the Blue Preferred<sup>SM</sup> network, including contracted doctors, hospitals and other health care professionals in New Mexico. Services from an out-of-network provider are not covered under this plan.

Out of pocket Maximum (specialty/non-specialty combined; \$3,100/individual, \$6,200/family)	If you choose to take a brand name drug where a generic is available, you will still pay the difference in cost between the brand and the generic even after your out-of-pocket has been met.	

## DEFINITIONS

**Generic prescription drug.** A medication that contains the same active ingredient and is manufactured according to the same strict federal regulations as its brand-name counterpart. Generic medications may differ in color, size, or shape, but the Food and Drug Administration requires that they have the same strength, purity, and quality as their brand counterparts. A generic medication can be produced once the manufacturer of the brand medication is required to allow other manufacturers the opportunity to produce it.

**Brand-name drug.** A medication that is available only from its original manufacturer or from another manufacturer that has a licensing agreement to produce it. These medications are marketed under recognized brand names. A brand-name drug may have a generic equivalent once the manufacturer is required to allow other manufacturers the opportunity to produce it.

**Multisource brand drug.** A medication that may have a Food and Drug Administration generic equivalent substitute available.

**Maintenance drug.** A medication prescribed for long-term use (e.g., therapy taken daily by those with high blood pressure or diabetes).

**Formulary.** A list of commonly prescribed medications that have been selected based on their clinical effectiveness and opportunity for savings. An independent Pharmacy and Therapeutics Committee updates this list regularly, based on continuous evaluation of medications. You can contact Express Scripts at **1-800-498-4904** to determine if the medication you are taking is on the formulary. You can also locate this information at [www.express-scripts.com](http://www.express-scripts.com). If a medication you are taking is not on the formulary, you may want to discuss alternatives with your doctor or pharmacist. Using medications on the formulary will keep your costs and NMPSIA's costs lower.

**Coverage review (prior authorization).** Express Scripts must review prescriptions for certain medications with your doctor before they can be filled under your plan, since more information than appears on a prescription is needed. The review uses plan rules based on FDA-approved prescribing and safety information, clinical guidelines, and uses that are considered reasonable, safe, and effective. Your doctor can request a coverage review (prior authorization) by calling Express Scripts at **1-800-753-2851**. If you need to know whether your prescription will require a coverage review (prior authorization), visit [www.express-scripts.com](http://www.express-scripts.com) or call Member Services at **1-800-498-4904**.

**Immunizations covered if administered by a certified pharmacist include the following:** DPT, MMR, Tetanus/ Diphtheria, HPV, Hepatitis A & B, Shingles, Meningococcal, Varicella (chicken pox), Influenza (Flu), Pneumonia.

**Quantity management.** NMPSIA sets limits on quantities of certain medications. To promote safe and effective drug therapy, certain covered medications may have quantity restrictions. These quantity restrictions are based on manufacturer or clinically approved guidelines and are subject to periodic review and change.

**Request generics whenever possible.** If you or your doctor selects a brand medication instead of a generic, you will be charged the brand copay, plus the difference in cost between the brand and the generic.

## DEFINITIONS (cont.)

**Step therapy requirement.** Your plan uses a coverage tool called step therapy, which requires you first to try one or more specified drugs to treat a particular condition before your plan will cover another (usually more expensive) drug that your doctor may have prescribed. Step therapy is intended to reduce costs to you and your plan by encouraging the use of medications that are less expensive but can treat your condition effectively. If your doctor believes that you should use medication that requires a review for coverage, your doctor can request such a review. Your doctor can call toll-free **1-800-753-2851**, 6:00am to 7:00pm, Mountain Standard Time, Monday through Friday. To see which medications are affected by step therapy, visit [www.express-scripts.com](http://www.express-scripts.com) or call Member Services at **1-800-498-4904**.

**Specialty medications.** Accredo, Express Scripts' specialty pharmacy, is the provider of specialty medications. Specialty medications are used to treat complex conditions, such as Cancer, Growth Hormone Deficiency, Hemophilia, Hepatitis C, Immune Deficiency, Multiple Sclerosis, and Rheumatoid Arthritis. Your plan participates in a specialty pharmacy co-pay assistance program through SaveonSP. Certain specialty pharmacy medications (Program drugs) in this program are considered Non-Essential Health Benefits under the plan and the cost of such drugs will NOT be applied toward satisfying the patient out of pocket maximum. Although the cost of the Program drugs will not be applied towards satisfying the patient out of pocket maximum, once enrolled, the cost of the Program drugs will be reimbursed by the manufacturer at no cost to the patient. To find out more about your specialty prescription drug benefit, visit [www.express-scripts.com](http://www.express-scripts.com) or call Accredo at **1-800-501-7210**.

**Drug safety.** Prescription drugs help fight off illness and can improve health. They can also be dangerous if the wrong person takes them, or if they're taken in the wrong amount. It's important they be taken only as directed and stored safely. Your plan partners with Express Scripts to identify unusual or excessive utilization patterns.

- **Save money**—a network dentist saves you the difference between our negotiated fees and the dentist’s regular charges; putting more money in your pocket
- **Save time**—a network dentist files your claims for you, saving you time and the hassle of paperwork

- **Save worry**—every network dentist is carefully screened, so you know you’re getting high-quality care

You can still receive care from any licensed dentist, but your benefits may differ and your out-of-pocket costs could be higher with a non-network dentist. Find a dentist by visiting **UnitedConcordia.com** and click **Find a Dentist** on our homepage; select **Alliance** network.

**This Benefit Summary highlights some of the benefits available under your plan. A complete description regarding the terms of coverage and exclusions and limitations will be provided in your summary plan description, available online at [www.nmpsia.state.nm.us](http://www.nmpsia.state.nm.us).**

## Frequently Asked Questions

**Q. Do I have to complete a claim form for each dental visit?**

A. If you receive care from a network dentist, he or she will file your claim for you. If you receive care from a non-network dentist, you may have to complete and submit your own claims. You can receive a claim form by visiting [unitedconcordia.com/dental-insurance/member/forms](http://unitedconcordia.com/dental-insurance/member/forms).

**Q. How will orthodontic benefits be paid if I am currently undergoing orthodontic treatment?**

A. An orthodontic treatment plan must be submitted by the treating provider to determine the remaining benefit that you may be entitled.

**Q. How do I know what my out-of-pocket costs will be for a procedure?**

A. For services beyond routine diagnostic and preventive, most dentists will give you a pre-treatment estimate at the time they schedule your next appointment. This will give you an estimate of what the dentist expects to receive from your insurance per procedure. You may also ask your dentist to provide a list of procedures to be performed and their corresponding fees. Then check your dental coverage at My Dental Benefits or, create an online account, to find out how much your plan will cover for these procedures. You may also ask your dentist for a predetermination of benefits.

**Q. Does United Concordia require predetermination of benefits?**

A. Predeterminations are not required, although you should consider requesting that your dentist provide a predetermination before you begin treatment for services like crowns or dentures. That way you'll know whether or not a service is covered and an estimate of what you can expect to pay out-of-pocket.

**Q. Are there frequency limitations for certain services?**

A. Yes. For example, you can receive 2 routine cleanings in a 12 month period. This is not calendar year; it is a rolling 12 month period.

1st Cleaning		2nd Cleaning		3rd Cleaning			
Date	Covered?	Date	Covered?	Date	Covered?	Date	Covered?
10/04/15	Yes	05/01/16	Yes	09/25/16	No	10/07/16	Yes

In addition there are frequency limitations for other services, like x-rays. Please refer to your Certificate of Insurance for a complete listing of Plan Limitations and Exclusions.

**Q. When should I take my child to their first dental appointment?**

A. ADA recommends the first dental visit six months after the first tooth appears, but no later than the child's first birthday.

**Q. Can I receive care from a dentist that is not in United Concordia's network?**

A. Yes, you may receive care from any licensed dentist. If you choose to see a non-network dentist, you will be responsible for higher coinsurance amounts; subject to lower plan maximums and billed for any charges over and above United Concordia's allowed amount for covered services.

**Q. How much will I pay if go out of network?**

A. Depends on the plan, type of procedure and the dentist location. The following chart shows an example of the difference in costs if you have the high plan and receive a crown:

Dental Care from IN-NETWORK DENTIST	Example Dentist Charge	Plan Allowance	Plan Pays 50%	Member Owes the Network Dentist
1 Crown	\$1,200	\$690	\$690 minus \$50 deductible = \$640 \$640 x .50 = \$320	<b>\$370</b> <b>(\$690-320 = \$370)</b>
Dental Care from NON-NETWORK DENTIST	Example Dentist Charge	Plan Allowance	Plan Pays 35%	Member Owes the Non-Network Dentist
1 Crown	\$1,200	\$690	\$690 minus \$50 deductible = \$640 \$640 x .35 = \$224	<b>\$976</b> <b>(\$1,200-224 = \$976)</b>

Actual cost will vary depending on geographic area and actual dentist charge. You can request a predetermination to help determine your out-of-pocket cost. A predetermination lets you know what procedures will or won't be covered prior to receiving services. It calculates the total amount you owe and what your plan will cover based on your coinsurance amounts. A predetermination is not a guarantee of payment—it is an estimate of what you can expect to owe.

**EMPLOYEE PAYS 100% OF THE PREMIUM.**

To calculate your Additional Life monthly payroll deduction, follow these steps, or go to [nmpsia.com](http://nmpsia.com) and find the online calculator under the "Members" tab.

*Example: Employee Age 46 earning \$34,666 choosing 3x for Employee Life Insurance and enrolling Spouse Age 36 and Children*

Enter Annual Contracted Salary, rounded to next higher \$1,000	\$35,000
Multiply by your selection (1x, 2x, or 3x) (Maximum amount \$500,000 without medical underwriting; \$600,000 if approved by medical underwriting)	3 x \$35,000 = \$105,000
Divide by 1,000 (for # of units of \$1,000)	\$105,000 / \$1,000 = 105
Multiply by the rate for Employee's age group to get the Employee Life Insurance deduction	Rate for ages 45-49 is \$.12 105 x \$.12 = \$12.60
If insuring Spouse, enter the lesser of: (a) 50% of your Additional Life Insurance or (b) 1x your Annual Contracted Salary, rounded to the next higher \$1,000	Spouse amount limited to \$35,000 in this example because spouse amount may not exceed 1x Employee's Salary rounded to the next higher \$1,000
Divide by 1,000 (for # of units of \$1,000)	\$35,000 / 1,000 = 35
Multiply by the rate for Spouse's age group to get the deduction for Spouse Life	Rate for ages 30-39 is \$.06 35 x \$.06 = \$2.10
If insuring Child(ren) for the Children's Additional Life Coverage of \$5,000, add \$.24	\$.24
Add amounts in shaded rows for your total deduction for Additional Life	\$12.60 for \$105,000 on Employee \$ 2.10 for \$35,000 on Spouse \$.24 for \$5,000 on Children \$14.94 per month

**EMPLOYER MATCHES PREMIUM.**

To calculate your LTD monthly payroll deduction, follow these steps:

*Example: \$40,000 Salary, 30 Day Benefit Waiting Period*

Enter Contracted Annual Salary but not more than \$90,000	\$40,000
Divide by Salary by 1200	\$40,000 / 1200 = \$33.34
Multiply by plan rate from table. This is the total monthly cost, which is shared between you and your employer.	\$33.34 x \$.58 = \$19.34
Your share is: 40% if you earn \$25,000 or more 35% if you earn between \$20,000 and \$25,000 30% if you earn between \$15,000 and \$20,000 25% if you earn less than \$15,000	40% of \$19.34 = \$7.74 Sample monthly deduction at \$40,000 Salary

### MID-YEAR CHANGES TO YOUR HEALTH CARE BENEFIT ELECTIONS

**IMPORTANT:** After this open enrollment period is completed, generally you **will not** be allowed to change your benefit elections or add/delete dependents until next years' open enrollment, unless you have a Special Enrollment Event or a Mid-year Change in Status Event as outlined below:

- **Special Enrollment Event:**

**Loss of Other Coverage Event:** If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if your employer stops contributing toward your or your dependents' other coverage). However, you **must request enrollment within 31 days** after your or your dependents' other coverage ends (or after the employer stops contributing towards the other coverage).

**Marriage, Birth, Adoption Event:** In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you **must request enrollment within 31 days** after the marriage, birth, adoption, or placement for adoption.

**Medicaid/CHIP Event:** You and your dependents may also enroll in this plan if you (or your dependents):

- have coverage through Medicaid or a State Children's Health Insurance Program (CHIP) and you (or your dependents) lose eligibility for that coverage. However, you must request enrollment within **60 days** after the Medicaid or CHIP coverage ends.
- become eligible for a premium assistance program through Medicaid or CHIP. However, you must request enrollment within 60 days after you (or your dependents) are determined to be eligible for such assistance.

To request special enrollment or obtain more information, contact ERISA Administrative Services at 800-233-3164 or your school's benefits office.

- **Mid-Year Permitted Election Change in Status Event:**

When your employer pre-taxes your benefits, NMPSIA is required to follow Internal Revenue Service (IRS) regulations on if and when benefits can be changed in the middle of a plan year. The following events **may** allow certain changes in benefits mid-year, **if** permitted by the IRS:

- Change in legal marital status (e.g. marriage, divorce/legal separation, death).
- Change in number or status of dependents (e.g. birth, adoption, death).
- Change in employee/spouse/dependent's employment status, work schedule, or residence that affects their eligibility for benefits.
- Coverage of a child due to a QMCSO.
- Entitlement or loss of entitlement to Medicare or Medicaid.
- Certain changes in the cost of coverage, composition of coverage or curtailment of coverage of the employee or spouse's plan.
- Changes consistent with Special Enrollment rights and FMLA leaves.

You must notify the plan in writing within **31 days** of the mid-year change in status event by contacting ERISA Administrative Services at 800-233-3164 or your school's benefits office.

The Plan will determine if your change request is permitted and if so, changes become effective prospectively, on the first day of the month, following the approved change in status event (except for newborn and adopted children, who are covered back to the date of birth, adoption, or placement for adoption).

### **IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN**

Employers are required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN: <http://www.socialsecurity.gov/online/ss-5.pdf>. Applying for a social security number is FREE.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact ERISA Administrative Services at 800-233-3164 or your school's benefits office.

### **MEDICARE NOTICE OF CREDITABLE COVERAGE REMINDER**

If you or your eligible dependents are currently Medicare eligible, or will become Medicare eligible during the next 12 months, you need to be sure that you understand whether the prescription drug coverage that you elect under the Medical Plan options available to you under NMPSIA are or are not creditable with (as valuable as) Medicare's prescription drug coverage.

To find out whether the prescription drug coverage under the medical plan options offered by NMPSIA is or is not creditable you should review the Plan's Medicare Part D Notice of Creditable Coverage available at the back of this document or from [www.nmpsia.com](http://www.nmpsia.com) and select the most current Program Guide.

## PRIVACY NOTICE REMINDER

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own healthcare information.

This Plan's HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this Notice when you enroll in the Plan. A copy of the Notice is provided at the back of this document and you can get another copy of this Notice from the New Mexico Public Schools Insurance Authority (NMPSIA) at 800-548-3724.

## WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA) ANNUAL NOTICE REMINDER

You or your dependents may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles, copayment and coinsurance applicable to other medical and surgical benefits provided under the various medical plans offered by NMPSIA. For more information on WHCRA benefits, contact NM Blue Cross Blue Shield at 888-966-7742 or Presbyterian Health Plan at 888-275-7737.

## AVAILABILITY OF SUMMARY HEALTH INFORMATION: THE SUMMARY OF BENEFIT AND COVERAGE (SBC) DOCUMENT(S)

The health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

As required by law, across the US, insurance companies and group health plans like ours are providing plan participants with a consumer-friendly **Summary of Benefits and Coverage (SBC)** as a way to help understand and compare medical plan benefits. Choosing a health coverage option is an important decision. To help you make an informed choice, the SBC, summarizes and compares important information in a standard format.

Each SBC contains concise medical plan information, in plain language, about benefits and coverage, including, what is covered, what you need to pay for various benefits, what is not covered and where to go for more information or to get answers to questions. SBC documents are updated when there is a change to the benefits information displayed on an SBC.

Government regulations are very specific about the information that can and cannot be included in each SBC. Plans are not allowed to customize very much of the SBC documents. There are detailed instructions the Plan had to follow about how the SBCs look, how many pages long the SBC should be, the font size, the colors used when printing the SBC and even which words were to be bold and underlined.

A Uniform Glossary that defines many of the terms used in the SBC is available at <https://www.dol.gov/sites/default/files/ebsa/laws-and-regulations/laws/affordable-care-act/for-employers-and-advisers/sbc-uniform-glossary-of-coverage-and-medical-terms-final.pdf>.

The SBC for each medical plan option is available at the NMPSIA website: [www.nmpsia.com](http://www.nmpsia.com), or for a paper copy of contact the New Mexico Public Schools Insurance Authority (NMPSIA) at 800-548-3724 or your school benefits office.

## CAUTION: IF YOU DECLINE MEDICAL PLAN COVERAGE OFFERED THROUGH NMPSIA

The medical plan options offered by NMPSIA are considered to be minimum essential coverage (MEC) and meets the government's minimum value standard. Additionally, the cost of medical plan coverage is intended to be affordable to employees, based on employee wages.

If you are in a benefits-eligible position and choose not to be covered by one of NMPSIA's medical plan options, remember that you must maintain medical plan coverage elsewhere or you can purchase health insurance through a Marketplace ([www.healthcare.gov](http://www.healthcare.gov)), typically at the Marketplace annual enrollment in the fall each year.

**Americans without medical plan coverage could have to pay a penalty when they file their personal income taxes.** Visit the Health Insurance Marketplace for detailed information on individual shared responsibility payment penalty at <https://www.healthcare.gov/fees-exemptions/fee-for-not-being-covered/>.

In December 2017 Congress passed a new law (the Tax Cuts and Jobs Act) that reduces the Individual Mandate penalty to zero starting in 2019. This means that for 2018, you still need to maintain minimum essential coverage (medical plan coverage) for yourself and your family members in order to avoid having to pay a penalty (the Individual Mandate penalty) when you file your personal income taxes for the 2018 tax year.

If you choose to not be covered by a medical plan sponsored by NMPSIA at this time, your next opportunity to enroll for NMPSIA's medical plan coverage is at the next annual open enrollment time, unless you have a mid-year change event that allows you to add coverage in the middle of the plan year.

## PATIENT PROTECTION RIGHTS OF THE AFFORDABLE CARE ACT

The medical plans offered by NMPSIA do not require the selection or designation of a primary care provider (PCP). You have the ability to visit any network or non-network health care provider; however, payment by the Plan may be less for the use of a non-network provider.

You also do not need prior authorization from the Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact NM Blue Cross Blue Shield at 888-966-7742 or Presbyterian Health Plan at 888-275-7737.

## NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT NOTICE

**Hospital Length of Stay for Childbirth:** Under federal law, group health plans, like this Plan, generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or the newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, the Plan may pay for a shorter stay if the attending Physician (e.g., Physician, or Health Care Practitioner), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, the Plan may not, under federal law, require that a Physician or other Health Care Practitioner obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification. For information on precertification for a length of stay longer than 48 hours for vaginal birth or 96 hours for C-section, contact NM Blue Cross Blue Shield at 888-966-7742 or Presbyterian Health Plan at 888-275-7737 to precertify the extended stay. If you have questions about this Notice, contact NM Blue Cross Blue Shield at 888-966-7742 or Presbyterian Health Plan at 888-275-7737.

### **NOTICE TO ENROLLEES IN THE NMPSIA MEDICAL PLANS (A SELF-FUNDED NONFEDERAL GOVERNMENTAL GROUP HEALTH PLAN)**

Group health plans sponsored by State and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, these employers are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy.

NMPSIA has elected to exempt the New Mexico Public Schools Insurance Authority (NMPSIA) Medical Plans from the following requirements:

- **Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.**

The exemption from these Federal requirements will be effective for the 2018/2019 NMPSIA plan year beginning on July 1, 2018 through June 30, 2019. The election may be renewed for subsequent plan years.

**For the 2018/2019 plan year NMPSIA is going to continue to provide the same mental health and substance abuse benefits we offered in the 2017/2018 plan year.** These benefits are described in the current NMPSIA Program Guide, in the Summary of Benefits charts, in the Mental Health and Substance Abuse Rehabilitation rows (the guide is located on the website: [www.nmpsia.com](http://www.nmpsia.com)). This means that you will still have access to inpatient admissions and outpatient mental health and substance abuse services, but certain requirements of the Mental Health Parity regulations, such as unlimited days of stay in a residential treatment program, will not have to be met by the NMPSIA Medical plans.

NMPSIA reserves the right to amend the NMPSIA Medical Plans during the plan year and you will be notified of any plan amendments.

If you have any questions regarding this exemption, please contact the NMPSIA Deputy Director - Benefits at 800-548-3724.

## KEEP THE PLAN NOTIFIED OF CHANGES IN ELIGIBILITY FOR BENEFITS

### IMPORTANT NOTICE

You or your Dependents must promptly furnish to ERISA Administrative Services at 800-233-3164 information regarding change of name, address, marriage, divorce or legal separation, death of any covered family member, birth and change in status of a Dependent Child, Medicare enrollment or disenrollment, an individual no longer meeting the eligibility provisions of the Plan, or the existence of other coverage. Proof of legal documentation will be required for certain changes. Proof of legal documentation will be required for certain changes.

**Notify the Plan of any of these changes within 31 days.** Note that for certain events like divorce or a child reaching the limiting age for coverage, if you do not notify the Plan within 60 days of that change, the opportunity to elect COBRA will not apply.

**Failure to give ERISA Administrative Services at 800-233-3164 a timely notice of the above noted events may:**

- a. cause you, your Spouse and/or Dependent Child(ren) to lose the right to obtain COBRA Continuation Coverage,
- b. cause the coverage of a Dependent Child to end when it otherwise might continue because of a disability,
- c. cause claims to not be considered for payment until eligibility issues have been resolved,
- d. result in your liability to repay the Plan if any benefits are paid on behalf of, or to, an ineligible person. The Plan has the right to offset the amounts paid against the participant's future medical, dental, and/or vision benefits.

In accordance with the requirements in the Affordable Care Act, your employer will not retroactively cancel coverage (a rescission) except when premiums and self-payments are not timely paid, or in cases when an individual performs an act, practice or omission that constitutes fraud, or makes an intentional misrepresentation of material fact that is prohibited by the terms of the Plan. Keeping an ineligible dependent enrolled (for example, an ex-spouse, overage dependent child, etc.) is considered fraud. If you have questions about eligibility for benefits, contact the New Mexico Public Schools Insurance Authority (NMPSIA) at 800-548-3724 or your school benefits office.

### COBRA COVERAGE REMINDER

In compliance with a federal law referred to as COBRA Continuation Coverage, this plan offers its eligible employees and their covered dependents (known as qualified beneficiaries) the opportunity to elect temporary continuation of their group health coverage when that coverage would otherwise end because of certain events (called qualifying events).

Qualified beneficiaries are entitled to elect COBRA when certain events occur, and, as a result of the event, coverage of that qualified beneficiary ends (together, the event and the loss of coverage are called a qualifying event). Qualified beneficiaries who elect COBRA Continuation Coverage must pay for it at their own expense.

Qualifying events may include termination of employment, reduction in hours of work making the employee ineligible for coverage, death of the employee, divorce/legal separation, or a child ceasing to be an eligible dependent child under the terms of the plan, if a loss of coverage results.

In addition to considering COBRA as a way to continue coverage, there may be other coverage options for you and your family. You may want to look for coverage through the Health Care Marketplace. See <https://www.healthcare.gov/>. In the Marketplace, you could be eligible for a tax credit that lowers your monthly

premiums for Marketplace coverage, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA does not limit your eligibility for coverage for Marketplace coverage or for the tax credit. Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse's plan) if you request enrollment within 30 days, even if the plan generally does not accept late enrollees.

The maximum period of COBRA coverage is generally either 18 months or 36 months, depending on which qualifying event occurred.

In order to have the chance to elect COBRA coverage after a divorce/legal separation or a child ceasing to be a dependent child under the plan, **you and/or a family member must inform the plan in writing of that event no later than 60 days after that event occurs**. That notice must be sent to ERISA Administrative Services, PO Box 9054, Santa Fe, NM 97504 or your school benefits office via first class mail and is to include the employee's name, the qualifying event, the date of the event, and the appropriate documentation in support of the qualifying event (such as divorce documents).

If you have questions about COBRA contact ERISA Administrative Services at 800-233-3164.

## IMPORTANT NOTICES ATTACHED

The following pages include important notices for you and your family:

- Reminder about the Employer Notice About the Health Insurance Marketplace
- Medicare Part D Notice
- HIPAA Privacy Notice
- Notice about Premium Assistance with Medicaid and CHIP

## EMPLOYER NOTICE ABOUT THE HEALTH INSURANCE MARKETPLACE

Your employer should distribute a notice to new employees when they are first hired. The notice is at least two pages long. To help you recognize the notice, here is a snapshot of a portion of the first page of the Notice:

### New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 5-31-2020)

#### PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

##### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

##### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

## Important Notice from NMPSIA about Prescription Drug Coverage for People with Medicare

**This notice is for people with Medicare.  
Please read this notice carefully and keep it where you can find it.**

This Notice has information about your current prescription drug coverage with the New Mexico Public Schools Insurance Authority (NMPSIA) and the prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare's prescription drug coverage and can help you decide whether or not you want to enroll in that Medicare prescription drug coverage. At the end of this notice is information on where you can get help to make a decision about Medicare's prescription drug coverage.

- **If you and/or your family members are not now eligible for Medicare, and will not be eligible during the next 12 months, you may disregard this Notice.**
- **If, however, you and/or your family members are now eligible for Medicare or may become eligible for Medicare in the next 12 months, you should read this Notice very carefully.**

This announcement is required by law whether the group health plan's coverage is primary or secondary to Medicare. Because it is not possible for our Plan to always know when a Plan participant or their eligible spouse or children have Medicare coverage or will soon become eligible for Medicare we have decided to provide this Notice to all plan participants.

Prescription drug coverage for Medicare-eligible people is available through Medicare prescription drug plans (PDPs) and Medicare Advantage Plans (like an HMO or PPO) that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more drug coverage for a higher monthly premium.

**NMPSIA has determined that the prescription drug coverage IS "CREDITABLE" under the following medical plan options:**

- **Presbyterian Low Option Plan, Presbyterian High Option Plan**
- **Blue Cross Blue Shield of New Mexico Low Option Plan and Blue Cross Blue Shield of New Mexico High Option Plan**
- **Blue Cross Blue Shield of New Mexico Preferred EPO Plan**

"Creditable" means that the value of this Plan's prescription drug benefit is, on average for all plan participants, expected to pay out as much as or more than the standard Medicare prescription drug coverage will pay.

Because the plan option options noted above are, on average, at least as good as the standard Medicare prescription drug coverage, **you can elect or keep prescription drug coverage under the Presbyterian Low Option Plan, Presbyterian High Option Plan, Blue Cross Blue Shield of New Mexico Low Option Plan, Blue Cross Blue Shield of New Mexico High Option Plan or Blue Cross Blue Shield of New Mexico Preferred EPO Plan and you will not pay extra if you later decide to enroll in Medicare prescription drug coverage.** You may enroll in Medicare prescription drug coverage at a later time, and because you maintain creditable coverage, you will not have to pay a higher premium (a late enrollment fee penalty).

### REMEMBER TO KEEP THIS NOTICE

If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

### WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

Medicare-eligible people can enroll in a Medicare prescription drug plan at one of the following 3 times:

- when they first become eligible for Medicare; or
- during Medicare's annual election period (from October 15<sup>th</sup> through December 7<sup>th</sup>); or
- for beneficiaries leaving employer/union coverage, you may be eligible for a two-month Special Enrollment Period (SEP) in which to sign up for a Medicare prescription drug plan.

When you make your decision whether to enroll in a Medicare prescription drug plan, you should also compare your current prescription drug coverage, (including which drugs are covered and at what cost) with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

### YOUR RIGHT TO RECEIVE A NOTICE

You will receive this notice at least every 12 months and at other times in the future such as if the creditable/non-creditable status of the prescription drug coverage through this plan changes. You may also request a copy of a Notice at any time.

### WHY CREDITABLE COVERAGE IS IMPORTANT (When you will pay a higher premium (penalty) to join a Medicare drug plan)

If you do not have creditable prescription drug coverage when you are first eligible to enroll in a Medicare prescription drug plan and you elect or continue prescription drug coverage under a **non-creditable** prescription drug plan, then at a later date when you decide to elect Medicare prescription drug coverage you may pay a higher premium (a penalty) for that Medicare prescription drug coverage for as long as you have that Medicare coverage.

Maintaining creditable prescription drug coverage will help you avoid Medicare's late enrollment penalty. This **late enrollment penalty** is described below:

If you go 63 continuous days or longer without creditable prescription drug coverage (meaning drug coverage that is at least as good as Medicare's prescription drug coverage), your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have either Medicare prescription drug coverage or coverage under a creditable prescription drug plan. You may have to pay this higher premium (the penalty) as long as you have Medicare prescription drug coverage.

For example, if 19 months pass where you do not have creditable prescription drug coverage, when you decide to join Medicare's drug coverage your monthly premium will always be at least 19% higher than the Medicare base beneficiary premium. Additionally, if you go 63 days or longer without prescription drug coverage you may also have to wait until the next October to enroll for Medicare prescription drug coverage.

## WHAT ARE MY CHOICES?

You can choose any **one** of the following options:

Your Choices:	What you can do:	What this option means to you:
<p><b>Option 1</b></p>	<p><b>You can select or keep your current medical and prescription drug coverage</b> with the Presbyterian Low Option Plan, Presbyterian High Option Plan, Blue Cross Blue Shield of New Mexico Low Option Plan, Blue Cross Blue Shield of New Mexico High Option Plan or Blue Cross Blue Shield of New Mexico Preferred EPO plan <b>and you do not have to enroll in a Medicare prescription drug plan.</b></p>	<p>You will continue to be able to use your prescription drug benefits through the Presbyterian Low Option Plan, Presbyterian High Option Plan, Blue Cross Blue Shield of New Mexico Low Option Plan, Blue Cross Blue Shield of New Mexico High Option Plan or Blue Cross Blue Shield of New Mexico Preferred EPO plan.</p> <ul style="list-style-type: none"> <li>You may, in the future, enroll in a Medicare prescription drug plan during Medicare’s annual enrollment period (during October 15<sup>th</sup> through December 7<sup>th</sup> of each year).</li> <li>As long as you are enrolled in creditable drug coverage you will not have to pay a higher premium (a late enrollment fee) to Medicare when you do choose, at a later date, to sign up for a Medicare prescription drug plan.</li> </ul>
<p><b>Option 2</b></p>	<p><b>You can select or keep your current medical and prescription drug coverage</b> with the Presbyterian Low Option Plan, Presbyterian High Option Plan, Blue Cross Blue Shield of New Mexico Low Option Plan, Blue Cross Blue Shield of New Mexico High Option Plan or Blue Cross Blue Shield of New Mexico Preferred EPO plan <b>and also enroll in a Medicare prescription drug plan.</b></p> <p>If you enroll in a Medicare prescription drug plan you will need to pay the Medicare Part D premium out of your own pocket.</p>	<p>Your current coverage pays for other health expenses in addition to prescription drugs.</p> <p>If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits. Having dual prescription drug coverage under this Plan and Medicare means that this Plan will coordinate its drug payments with Medicare, as follows:</p> <ul style="list-style-type: none"> <li>for Medicare eligible Retirees and their Medicare eligible Dependents, Medicare Part D coverage pays primary and the group health plan pays secondary.</li> <li>for Medicare eligible Active Employees and their Medicare eligible Dependents, the group health plan pays primary and Medicare Part D coverage pays secondary.</li> </ul> <p>Note that you may not drop just the prescription drug coverage under the medical plan in which you are enrolled. That is because prescription drug coverage is part of the entire medical plan. Generally, you may only drop medical plan coverage at this Plan’s next Open Enrollment period.</p> <p>Note that each Medicare prescription drug plan (PDP) may differ. Compare coverage, such as:</p> <ul style="list-style-type: none"> <li>PDPs may have different premium amounts;</li> <li>PDPs cover different brand name drugs at different costs to you;</li> <li>PDPs may have different prescription drug deductibles and different drug copayments;</li> <li>PDPs may have different networks for retail pharmacies and mail order services.</li> </ul>

The Plan reserves the right to change the terms of this Notice and to make the new Notice provisions effective for all PHI it maintains.

You may also receive a Privacy Notice from companies who offer Plan participants insured health care services, such as the Vision plan benefits. #### Your Protected Health Information

The Notice is also available on the Plan's website: [www.nmpsia.com](http://www.nmpsia.com). The Notice will also be provided upon request. Once every three years the Plan will notify the individuals then covered by the Plan where to obtain a copy of the Notice. This Plan will satisfy the requirements of the HIPAA regulation by providing the Notice to the named insured (covered employee) of the Plan; however, you are encouraged to share this Notice with other family members covered under the Plan.

**Notice Revisions:** If a privacy practice of this Plan is changed affecting this Notice, a revised version of this Notice will be provided to you and all participants covered by the Plan at the time of the change. Any revised version of the Notice will be distributed within 60 days of the effective date of a material change to the uses and disclosures of PHI, your individual rights, the duties of the Plan or other privacy practices stated in this Notice.

Material changes are changes to the uses and disclosures of PHI, an individual's rights, the duties of the Plan or other privacy practices stated in the Privacy Notice. Because our health plan posts its Notice on its web site, we will prominently post the revised Notice on that web site by the effective date of the material change to the Notice. We will also provide the revised notice, or information about the material change and how to obtain the revised Notice, in our next annual mailing to individuals covered by the Plan.

## When the Plan May Use or Disclose Your Health Information

Under the law, the Plan may use and disclose your health information without your written authorization in the following cases:

- **At your request.** If you request it, the Plan is required to give you access to your PHI in order to inspect it and copy it.
- **As required by an agency of the government.** The Secretary of the Department of Health and Human Services may require the disclosure of your PHI to investigate or determine the Plan's compliance with the privacy regulations.
- **For treatment, payment or health care operations.** The Plan and its Business Associates will use your PHI (except psychotherapy notes in certain instances as described below) without your consent, authorization or opportunity to agree or object in order to carry out treatment, payment, or health care operations.

1. **For Treatment.** We may use or disclose your protected health information to facilitate medical treatment or services by providers. **For example**, we may disclose providers, including doctors, nurses, technicians, medical students, or other hospital personnel who are involved in taking care of you to your treating specialist to enable your providers to confer regarding a treatment plan.

The Plan Sponsor has **amended its Plan documents** to protect your PHI as required by Federal law. The Plan may disclose PHI to the Plan Sponsor for purposes of treatment, payment, and health care operations in accordance with the Plan amendment. The Plan may disclose PHI to the Plan Sponsor for review of your appeal of a benefit or for other reasons related to the administration of the Plan.

### Use or Disclosure of Your PHI Where Consent, Authorization or Opportunity to Object Is Not Required

In general, the Plan does not need your written authorization to release your PHI if required by law or for public health and safety purposes. The Plan and its Business Associates are allowed to use and disclose your PHI **without** your written authorization (in compliance with section 164.512) under the following circumstances:

1. **Required by Law.** As required by law, we may use and disclose your health information. For example, we may disclose medical information when required by a court order in a litigation proceeding such as a malpractice action.
2. **Public Health.** As authorized by law, we may disclose your health information to public health authorities for purposes related to: preventing or controlling disease, injury or disability; reporting abuse or neglect; reporting domestic violence; reporting to the Food and Drug Administration problems with products and reactions to medications; and reporting disease or infection exposure.
3. **Proof of Immunization.** We may disclose information about you limited to proof of immunization to a school about an individual who is a student or prospective student of the school.
4. **Health Oversight Activities.** We may disclose your health information to health agencies during the course of audits, investigations, inspections, licensure and other proceedings related to oversight of the health care system.
5. **Judicial and Administrative Proceedings.** We may disclose your health information in the course of any administrative or judicial proceeding.

6. **Law Enforcement.** We may disclose your health information to a law enforcement official for purposes such as identifying or locating a suspect, fugitive, material witness or missing person, complying with a court order or subpoena and other law enforcement purposes.
7. **Coroners, Medical Examiners and Funeral Directors.** We may disclose your health information to coroners, medical examiners and funeral directors. For example, this may be necessary to identify a deceased person or determine the cause of death.
8. **Information of Decedent Related to Organ and Tissue Donation.** We may disclose your health information after you have died to organizations involved in procuring, banking or transplanting organs and tissues, as necessary.
9. **Public Safety.** We may disclose your health information to appropriate persons in order to prevent or lessen a serious and imminent threat to the health or safety of a particular person or the general public.
10. **National Security.** We may disclose your health information for military, national security, prisoner and government benefits purposes.
11. **Military and Veterans.** If you are a member of the armed forces, we may release your protected health information as required by military command authorities. We may also release protected health information about foreign military personnel to the appropriate foreign military authority if required.
12. **Worker's Compensation.** We may disclose your health information as necessary to comply with worker's compensation or similar laws.
13. **Research.** We may disclose your health information to researchers when:
  - The individual identifiers have been removed; or
  - When an institutional review board or privacy board (a) has reviewed the research proposal; and (b) established protocols to ensure the privacy of the requested information, and approves the research.
14. **Disclosures to Plan Sponsors.** We may discuss your health information to the sponsor of your group health plan, for purposes of administering benefits under the plan. We share the minimum information necessary to accomplish these purposes.
15. **Business Associates.** We may contract with individuals or entities known as Business Associates to perform various functions on our behalf or to provide certain types of services. In order to perform these functions or to provide these services, Business Associates will receive, create, maintain, use and/or disclose your protected health information, but only after they agree in writing with us to implement appropriate safeguards regarding your protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims or to provide support services, such as utilization management, pharmacy benefit management or subrogation, but only after the Business Associate enters into a Business Associate Agreement with us.

Any other Plan uses and disclosures not described in this Notice will be made only if you provide the Plan with written authorization, subject to your right to revoke your authorization, and information used and disclosed will be made in compliance with the minimum necessary standards of the regulation.

### Disclosing Only the Minimum Necessary Protected Health Information

When using or disclosing PHI or when requesting PHI from another covered entity, the Plan will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations. However, the minimum necessary standard will not apply in the following situations:

- Disclosures to or requests by a health care provider for treatment,

- **Disclosures to You.** When you request, we are required to disclose to you the portion of your protected health information that contains medical records, billing records, and any other records used to make decisions regarding your health care benefits. We are also required, when requested, to provide you with an accounting of most disclosures of your protected health information where the disclosure was for reasons other than for treatment, payment, or health care operations, and where the protected health information was disclosed in accordance with your individual authorization.
- **Government Audits.** We are required to disclose your health information to the Secretary of the United States Department of Health and Human Services when the Secretary is investigating or determining our compliance with the HIPAA privacy rule.
- Uses of disclosures required by law, and
- Uses of disclosures required for the Plan's compliance with the HIPAA privacy regulations.

This Notice does not apply to information that has been de-identified. **De-identified information** is information that does not identify you and there is no reasonable basis to believe that the information can be used to identify you.

As described in the amended Plan document, the Plan may share PHI with the Plan Sponsor for limited administrative purposes, such as determining claims and appeals, performing quality assurance functions and auditing and monitoring the Plan. The Plan shares the minimum information necessary to accomplish these purposes.

In addition, the Plan may use or disclose “summary health information” to the Plan Sponsor for obtaining premium bids or modifying, amending or terminating the group health Plan. Summary health information means information that summarizes claims history, claims expenses or type of claims experienced by individuals for whom the Plan Sponsor has provided health benefits under a group health plan. Identifying information will be deleted from summary health information, in accordance with HIPAA.

### When the Disclosure of Your PHI Requires Your Written Authorization

Generally, the Plan will require that you sign a valid authorization form in order to use or disclose your PHI **other than:**

- When you request your own PHI
- A government agency requires it, or
- The Plan uses it for treatment, payment or health care operation.

You have the right to revoke an authorization.

Although the Plan does not routinely obtain psychotherapy notes, generally, an authorization will be required by the Plan before the Plan will use or disclose psychotherapy notes about you. Psychotherapy notes are separately filed notes about your conversations with your mental health professional during a counseling session. They do not include summary information about your mental health treatment. However, the Plan may use and disclose such notes when needed by the Plan to defend itself against litigation filed by you.

The Plan generally will require an authorization form for uses and disclosure of your PHI for marketing purposes (meaning a communication that encourages you to purchase or use a product or service) if the Plan receives direct or indirect financial remuneration (payment) from the entity whose product or service is being marketed. The Plan generally will require an authorization form for the sale of protected health information if the Plan receives direct or indirect financial remuneration (payment) from the entity to whom the PHI is sold. The Plan does not intend to engage in fundraising activities.

**Marketing.** We generally will require an authorization form for uses and disclosure of your PHI for marketing purposes (meaning a communication that encourages you to purchase or use a product or service) if the Plan receives direct or indirect financial remuneration (payment) from the entity whose product or service is being

marketed. We generally will require an authorization form for the sale of Protected Health Information if we receive direct or indirect financial remuneration (payment) from the entity to which the PHI is sold.

### **Use or Disclosure of Your PHI Where You Will Be Given an Opportunity to Agree or Disagree Before the Use or Release**

Disclosure of your PHI to family members, other relatives and your close personal friends without your written consent or authorization is allowed if:

- The information is directly relevant to the family or friend's involvement with your care or payment for that care, and
- You have either agreed to the disclosure or have been given an opportunity to object and have not objected.

Under this Plan your PHI will automatically be disclosed to your employer's benefits office as outlined below. If you disagree with this automatic disclosure by the Plan you may contact the Privacy Officer to request that such disclosure not occur without your written authorization:

- In the event of your death while you are covered by this Plan, when the Plan is notified it will automatically communicate this information to your employer's benefits office.
- In the event the Plan is notified of a work-related illness or injury, the Plan will automatically communicate this information to your employer's benefits office to allow the processing of appropriate paperwork.

**Note that PHI obtained by the Plan Sponsor's employees through Plan administration activities will NOT be used for employment related decisions.**

### **Your Personal Representatives**

You may exercise your rights to your Protected Health Information (PHI) by designating a person to act as your Personal Representative. Your Personal Representative will generally be required to produce evidence (proof) of the authority to act on your behalf **before** the Personal Representative will be given access to your PHI or be allowed to take any action for you.

Under this Plan, proof of such authority will include (1) a completed, signed and approved Appoint a Personal Representative form; (2) a notarized power of attorney for health care purposes; (3) a court-appointed conservator or guardian; or, (4) for a Spouse under this Plan, the absence of a Revoke a Personal Representative form on file with the Privacy Officer. Note: Under the HIPAA privacy rule, we do not have to disclose information to a personal representative if we have a reasonable belief that:

- (1) You have been, or may be, subjected to domestic violence, abuse or neglect by such person;
- (2) Treating such person as your personal representative could endanger you; or
- (3) In the exercise of professional judgment, we believe it is not in your best interest to treat the person as your personal representative.

**This Plan WILL AUTOMATICALLY recognize your legal Spouse as your Personal Representative and vice versa, without you having to complete a form to Appoint a Personal Representative.** However, you may request that the Plan not automatically honor your legal Spouse as your Personal Representative by completing a form to Revoke a Personal Representative (copy attached to this notice or also available from the Privacy Officer).

If you wish to revoke your Spouse as your Personal Representative, please complete the Revoke a Personal Representative form (attached or available from the Privacy Officer) and return it to the Privacy Officer and this will mean that this Plan will NOT automatically recognize your Spouse as your Personal Representative and vice versa.

Because HIPAA regulations give adults certain rights and generally children age 18 and older are adults, if you have dependent children age 18 and older covered under the Plan, and the child wants you, as the parent(s), to be able to access their Protected Health Information (PHI), that child will need to complete a form to Appoint a Personal Representative to designate you (the employee/retiree) and/or your Spouse as their Personal Representatives.

The Plan will consider a parent, guardian, or other person acting *in loco parentis* as the Personal Representative of an unemancipated minor (a child generally under age 18) unless the applicable law requires otherwise. *In loco parentis* may be further defined by State law, but in general it refers to a person who has been treated as a parent by the child and who has formed a meaningful parental relationship with the child for a substantial period of time. Spouses and unemancipated minors may, however, request that the Plan restrict PHI that goes to family members as described above under the section titled “Your Individual Privacy Rights.”

### Statement of Your Individual Privacy Rights

1. **Right to Request Restrictions.** You have the right to request restrictions on certain uses and disclosures of your protected health information. The Plan is not required to agree to the restrictions that you request. If you would like to make a request for restrictions, you must submit your request in writing to NMPSIA’s Administrative Office, 410 Old Taos Highway, Santa Fe, NM 87501.
2. **Right to Request Confidential Communications.** You have the right to receive your protected health information through a reasonable alternative means or at an alternative location. (such as mailing PHI to a different address or allowing you to personally pick up the PHI that would otherwise be mailed), if you provide a written request to the Plan that the disclosure of PHI to your usual location could endanger you. To request confidential communications, you must submit your request in writing to NMPSIA’s Administrative Office, 410 Old Taos Highway, Santa Fe, NM 87501. We are not required to agree to your request.
3. **Right to Inspect and Copy.** You have the right to inspect and obtain a copy (in hard copy or electronic form) of your protected health information (except psychotherapy notes and information compiled in reasonable contemplation of an administrative action or proceeding) contained in a “designated record set,” for as long as the Plan maintains the PHI. You may request your hard copy or electronic information in a format that is convenient for you, and the Plan will honor that request to the extent possible. You may also request a summary of your PHI.

A **Designated Record Set** includes your medical records and billing records that are maintained by or for a covered health care provider. Records include enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for a health plan or other information used in whole or in part by or for the covered entity to make decisions about you. Information used for quality control or peer review analyses and not used to make decisions about you is not included in the designated record set.

The Plan must provide the requested information within 30 days of its receipt of the request, if the information is maintained onsite or within 60 days if the information is maintained offsite. A single 30-day extension is allowed if the Plan is unable to comply with the deadline and notifies you in writing in advance of the reasons for the delay and the date by which the Plan will provide the requested information.

To inspect and copy such information, you or your personal representative must submit your request in writing to NMPSIA’s Administrative Office, 410 Old Taos Highway, Santa Fe, NM 87501. If you request a copy of the information, we may charge you a reasonable cost-based fee. You may request your hard copy or electronic information in a format that is convenient for you, and we will honor that request to the extent possible. You may also request a summary of your PHI.

4. **Right to Request Amendment.** You or your personal representative have a right to request that the Plan amend your health information that you believe is incorrect or incomplete. We are not required to change your health information and if your request is denied, we will provide you with information about our denial and how you can disagree with the denial. To request an amendment, you must make your request in writing to NMPSIA’s Administrative Office, 410 Old Taos Highway, Santa Fe, NM 87501. You must also provide a reason for your request.
5. **Right to Accounting of Disclosures.** You have the right to receive a list or “accounting of disclosures” of your health information made by us, except that we do not have to account for disclosures made for purposes of

payment functions or health care operations, or made to you. To request this accounting of disclosures, you must submit your request in writing to NMPSIA's Administrative Office, 410 Old Taos Highway, Santa Fe, NM 87501. Your request should specify a time period of up to six years and may not include dates before April 14, 2003. The Plan has 60 days after its receipt of your request to provide the accounting. The Plan is allowed an additional 30 days if the Plan gives you a written statement of the reasons for the delay and the date by which the accounting will be provided. The Plan will provide one list per 12 month period free of charge; we may charge you for additional lists.

6. **Right to Paper or Electronic Copy.** You have a right to receive a paper or electronic copy of this Notice of Privacy Practices at any time. To obtain a paper copy of this Notice, send your written request to NMPSIA's Administrative Office, 410 Old Taos Highway, Santa Fe, NM 87501. This right applies even if you have agreed to receive the Notice electronically.
7. **Right to be Notified of a Breach.** You have the right to receive notification in the event that we (or a Business Associate) discover a breach of unsecured protected health information. Notice of a breach will be provided to you within 60 days of the breach being identified.
8. **Right to Choose Someone to Act for You.** You have the right to appoint a personal representative to act on your behalf with respect to your protected health information, such as if you have given someone medical power of attorney or if someone is your legal guardian.

To appoint a personal representative to act on your behalf, you must make your request in writing to NMPSIA's Administrative Office, 410 Old Taos Highway, Santa Fe, NM 87501. Your request must specify who the individual is that you are appointing, that individual's contact information, and in which matters the appointed individual may act on your behalf.

If you would like to have a more detailed explanation of these rights or if you would like to exercise one or more of these rights, contact NMPSIA's Administrative Office, 410 Old Taos Highway, Santa Fe, NM 87501, or by telephone at 1-(800) 548-3724.

### Changes to this Notice of Privacy Practices

The Plan reserves the right to amend this Notice of Privacy Practices at any time in the future and to make the new Notice provisions effective for all health information that it maintains. We will promptly revise our Notice and distribute it to you whenever we make material changes to the Notice. Until such time, the Plan is required by law to comply with the current version of this Notice.

### Your Right to File a Complaint

**If you believe that your privacy rights have been violated, you may file a complaint with the Plan in care of the Plan's Privacy Officer, at the address listed on the first page of this Notice.** Neither your employer nor the Plan will retaliate against you for filing a complaint.

## PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of **January 31, 2018**. Contact your State for more information on eligibility –
