## ASSISTANT PROFESSOR OF MANAGEMENT

New Mexico Institute of Mining and Technology (NMT) invites applications for a 9-month tenure-track assistant professor position in management that will perform research (40%), teaching (40%), and service (20%). Research will include a concentration in management science, with a preference given to those specializing in supply chain management or a related field in management, operations research, and economics. Teaching will be approximately twelve credits per year of graduate and undergraduate courses.

Specific responsibilities include teaching undergraduate and/or graduate courses in Management; engaging in independent and collaborative research in the field of management that leads to peer-reviewed publications and grant funding; serving as research advisor for engineering management graduate students; preparing various accountability and assessment reports, and supporting the program certification, accreditation, and other efforts as needed. The successful candidate will start at NMT in August of 2022.

The Business and Technology Management (BTM) program is a relatively autonomous unit currently housed under the Department of Computer Science and Engineering (CSE). The BTM program offers bachelor's degrees in management, business management, and management of technology and graduate degrees in engineering management. Our engineering management program is nationally ranked for its value of education. The NMT CSE Department is one of the oldest computer science programs west of the Mississippi and offers an array of bachelor, master, and doctoral degrees in computer science, information technology, and management. With 13 faculty and approximately 230 students, the department offers an intimate, highly focused setting for obtaining an education and conducting research.

The position will stay open until filled. For best consideration, please apply by January 31, 2022. Candidates must complete an online application and electronically attach a *single PDF* document, incorporating all of the following: cover letter highlighting expertise and experience most suited to the position; curriculum vitae (CV); statement of research interests and approach; statement of teaching interests; and list of three to five professional references. Materials should be sent to [nmtjobapps@npe.nmt.edu](mailto:nmtjobapps@npe.nmt.edu) c/o Rosa Jaramillo and Clinton Jeffery, [jeffery@cs.nmt.edu](mailto:jeffery@cs.nmt.edu). Inquiries should be directed to Clinton Jeffery, Department of Computer Science and Engineering, [jeffery@cs.nmt.edu](mailto:jeffery@cs.nmt.edu), 575-835-5549.

NMT is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility and respect for the rights and sensibilities of each individual. NMT is an Equal Opportunity Employer.

Excellent benefits (health, vision, dental), tuition fee waiver, and a generous retirement plan.

New Mexico Tech is located in Socorro, in the scenic Rio Grande River Valley of central New Mexico, 75 miles south of Albuquerque with its many attractions, and 139 miles south of Santa Fe. The ABQ International Airport is just an hour away. Nearby mountains and desert canyons provide opportunities for excellent hiking, climbing, and mountain biking. The Bosque del Apache National Wildlife Refuge, located just south of Socorro along a major north-south flyway, offers some of the best birding in the USA.
