INSTRUCTOR/ CIVIL & ENVIRONMENTAL ENGINEERING

The Department of Civil & Environmental Engineering at the New Mexico Institute of Mining and Technology (New Mexico Tech) invites applications for a part-time temporary instructor position responsible for teaching civil engineering courses during the Fall semester of 2023. Required qualifications include: [1] a M.S. Civil Engineering or related field; [2] an ability to teach Civil Engineering courses, at the undergraduate and/or graduate level; and [3] an ability to support student academic success by engaging and encouraging students from diverse academic, socioeconomic, and cultural backgrounds.

New Mexico Tech is a STEM-focused, research-oriented, public, Hispanic-serving institution. The department offers baccalaureate degrees in Civil Engineering and Environmental Engineering and a MS in Civil & Environmental Engineering. We promote an outstanding educational environment for our students; thus, applicants are expected to demonstrate an interest and commitment to excellence in teaching undergraduate and graduate courses.

New Mexico Tech continues to top the College Factual rankings as New Mexico's Best College, College with the Best Academics, Best Value College, and New Mexico's Top Public University. New Mexico Tech is a federally-designated Hispanic Serving Institution, and roughly 1/3 of our faculty and majors are female. The department and campus are small and collegial with roughly 1150 undergraduates and 450 graduate students in science and engineering. Socorro is a town of 9000 people one hour south of Albuquerque. It provides a low cost of living (median home price < 50% of US average) and surprising amenities for a town of its size.

For full consideration please apply by July 10, 2023. Candidates must apply by e-mail, attaching a single PDF document that incorporates all of the following: [1] cover letter stating how the applicant’s experience, interests, and strengths align with the required qualifications of the position at New Mexico Tech; [2] curriculum vitae (CV); and [3] list of three professional references. Please do not include transcripts, publications, or other materials not requested above. Materials should be sent to nmtjobapps@npe.nmt.edu c/o Rosa Jaramillo and copied to mtls@npe.nmt.edu, with “Civil Engineering part-time instructor application 2023” in the e-mail subject line. For additional information please see the department's web page https://www.nmt.edu/academics/ceeng/, or contact the search committee chair Dr. Clint Richardson (email: clinton.richardson@nmt.edu).

New Mexico Tech is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility, and respect for the rights and sensibilities of each individual. New Mexico Tech is an Equal Opportunity Employer. All those interested in the
position are encouraged to apply, including women, individuals from marginalized groups, and persons with disabilities.

Excellent benefits (health, vision, dental), tuition fee waiver, a generous retirement plan, and access to a childcare center on campus.

New Mexico Tech is located in Socorro, in the scenic Rio Grande River Valley of central New Mexico, 75 miles south of Albuquerque with its many attractions, and 139 miles south of Santa Fe. Nearby mountains and desert canyons provide opportunities for excellent hiking, climbing, and mountain biking. The Bosque del Apache National Wildlife Refuge, located just south of Socorro along a major north-south flyway, offers some of the best birding in the USA.
