INSTRUCTOR/ CSE/BUSINESS AND TECHNOLOGY MANAGEMENT

New Mexico Tech (NMT), a doctorate-granting research university in central New Mexico, invites applications for a 9-month full-time instructional faculty in management, with a preference for candidates passionate about teaching excellence and leadership development. The initial appointment will be renewable for three years, with the possibility of becoming a permanent position contingent upon the performance and availability of funds. The title can be negotiable as visiting assistant professor or instructor of management. The position carries appointments in teaching (60%) and services (40%). Teaching will be 18 credits per year (9 credits each semester; spring/fall). The initial teaching responsibilities include principle-level accounting (two semesters), microeconomics, macroeconomics, and upper-division engineering economics. The services responsibility is associated primarily with student advising and coordinating our nationally-ranked graduate program in engineering management. The graduate coordinator role involves organizing recruitment events, managing alumni relations, and potentially organizing a one-credit graduate colloquium. The position will start 08/2022.

Required Qualifications:

- MBA or MS/MA in accounting, economics, applied economics, finance, management, or a related field with at least two years of full-time teaching experience;
- Passionate about teaching excellence and pedagogical development;
- Excellent writing and oral communication skills.

Preferred Qualifications:

- PhD in accounting, economics, applied economics, finance, management, or a related field (full-time teaching experience not required for PhD applicants); ABD will be considered;
- Experience with curriculum/program development and industry outreach;
- Experience with outreach/education/research proposal development;
- Education and/or work experience in a STEM environment.

The Business and Technology Management (BTM) program at NMT offers bachelor's degrees in Management, Business Management, and Management of Technology and graduate degrees in Engineering Management. For best consideration, apply by June 27, 2022. To apply, please send ***a single PDF*** document incorporating cover letter (2-page limit), CV, teaching statement (5-page limit, including any evidence of teaching excellence), leadership statement (2-page limit), and a list of three references to nmtjobapps@npe.nmt.edu and copy to haoying.wang@nmt.edu. Inquiries about the position should go to Dr. Haoying Wang (haoying.wang@nmt.edu, search committee) or Dr. Clint Jeffery (clinton.jeffery@nmt.edu, department).

NMT is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility and respect for the rights and sensibilities of each individual. NMT is an Equal Opportunity Employer. NMT provides excellent benefits, including health, vision, dental, and a generous retirement plan.

NMT is located in Socorro, in the scenic Rio Grande River Valley of central New Mexico, 75 miles south of Albuquerque with its many attractions, and 139 miles south of Santa Fe. The ABQ International Airport is just an hour away. The region is endowed with excellent outdoors. Nearby mountains and desert canyons provide opportunities for excellent hiking, climbing, and mountain biking. The Bosque Del Apache National Wildlife Refuge, located just south of Socorro along a major north-south flyway, offers some of the best birding in the US.
