JOB DUTIES:
The Project Manager of the Training Business Unit (TBU) accomplishes project objectives by planning and evaluating project activities. The Manager is responsible for organizing, planning and oversight of projects within organizations. The Project Manager will guide, advise and manage staff assigned to projects. The Project Manager will ensure that the delivery of the training programs are consistent with the mission and goals of the organization and that activities of the projects are carried out effectively and efficiently. The Project Manager works closely with the Program Manager and leadership in different business and support units on various projects and collaborative efforts. Multiple departments may carry the responsibilities of different assignments, but the Project Manager is responsible for making sure that all departments come together in a timely manner to complete the overall goal. Accomplishes objectives by orienting, training, assigning, scheduling, coaching, and counseling employees; communicating job expectations; planning, monitoring, appraising, and reviewing job contributions. Achieves operational objectives by contributing information and recommendations to strategic plans and reviews; preparing and completing action plans; implementing production, productivity, quality, and customer-service standards; resolving problems; identifying trends; determining system improvements; implementing change. Ensures the TBU's compliance with project deliverables, sponsor terms/conditions, institutional/organizational policies, procedures and applicable regulatory and legal requirements. Provides regular progress/challenge updates to the Associate Director of the TBU and the Program Manager and leads efforts toward appropriate resolutions. Meets financial objectives by forecasting requirements; scheduling expenditures; analyzing variances; initiating corrective action.

REQUIRED QUALIFICATIONS:
Bachelor’s degree with 2 years’ experience directly related to the job functions of this position or demonstrated, directly related, 10 years’ equivalent experience and education with 3 years range experience may be considered in lieu of the degree, subject to approval. Ability to interact with internal cross functional resources at both peer, subordinate and executive levels of the organization, while tailoring communication appropriately to each audience required. Excellent oral and written communications skills required. Excellent supervisory skills required. Strong planning and performance management skills required. Must have a Driver’s License required. Pre-employment drug test required. All EMRTC employees’ position requires the ability to obtain a department of defense security clearance.
