Please provide a statement of no more than two pages describing why you feel you should be considered for designation as a Macey Scholar. The selection(s) will be based upon accomplishments in the classroom and/or research laboratory together with institutional service and other activities that have brought credit to you and to New Mexico Tech. Accomplishments could include: awards, honors, membership in campus organizations, part-time jobs, service to the university, research endeavors, etc.

The awards are distributed during the academic year following selection. Recipients must be currently enrolled at New Mexico Tech to receive payment.
