Senate Bill

NMT Rugby

USA 15s National Championship Dallas, TX

The men's Rugby team has been invited to represent the best teams in the nation on one of the highest stages of college rugby in Dallas for the national championship. The team was in Houston in December for the national championship for NCR (national collegiate rugby origination) where we came up short in the finals. The team has a busy April month with traveling, going California April 9th for the 7s invitational for NOLA May Madness National Championship. The team has worked hard by helping everywhere on campus where it is possible and needed to raise money for travel and equipment expenses, as well as getting sponsors from town to help with some expenses (Que Suave Café, State Farm, Brew Labs, ESPN Radio, and Graphic Connections). After looking at budget we have enough money to cover our California trip but will be short to cover the Dallas trip, this also means we will not have money to go to NOLA. We have estimated \$5,000 would be about the cost for hotel and travel (gas and van) expenses, with this we are asking for help to pay for this Dallas trip for one more chance to bring the school its first National Championship in school history before the year ends!
