Student Concerns/Announcements

- Complaints about outdated student employee handbook. They are currently changing it in the financial aide office. Should be complete in a couple weeks.
- Many complaints about the pay cap students are under. Due to inflation they want to change it from 15\$ per hour to 19.50\$ per hour to combat inflation.
- Complaints that the SAC is no longer being used for community classes because it is more accessible for students.

Committee Head Elections

Legislative Standards: Nathan Erickson
